What do snacks, inventions, senses, and Rube Goldberg machines have in common? Engineering! Gather your troop and join us at the Fort Collins Museum of Discovery for our first Girl Scout Day filled with hands-on STEAM projects and fun. You'll leave the day with four Brownie badges and an extra FCMoD Fun Patch! Earn your Inventor, Senses, Snacks, and Mechanical Engineering: Fling Flyer badges.

This program is for Brownies in a registered Girl Scout troop. Please coordinate with your troop before registering. Price includes a snack, pizza lunch, and physical badges upon completion.
