

Optional Locations for a Winter Coat Drive Donation:

Coats for Colorado - Denver:

“Coats for Colorado accepts only new and gently used warm winter coats for men, women, and children. We are unable to accept financial donations. Please use any money you collect to purchase new or gently used children’s and men’s coats – these two categories receive the fewest donations, and we always need more.” Once your drive is complete, your coats can be taken to any Dependable Cleaners location for drop off. All donations are due by November 30.

Perhaps you have an old jacket that doesn’t fit any longer and it’s just taking up space in your closet. For our guests experiencing homelessness, as well as our community neighbors in need, these things can make a difference. Your generous donation of goods provides hope for those who need it most – the hope that others care about them.

"Since the economic outlook has not changed, we have an ongoing need for food. While Mesa county still has a 10% unemployment rate, we are currently helping 400+ people a month with needed food. With so many out of work, the need is even greater than in years past. Thank you."
