🏠 **Site fees.** We have exclusive use of MMR which includes 4 tabin units (with built in bunk beds), the lodge, homestead house and limited other facilities to accommodate those with restricted mobility.

🏠 **Food.** We love to cook out over an open fire and we can accommodate most special dietary needs. There are plenty of creative and tasty choices offered.

🏠 **Program.** Some costs can be covered: but the majority of what we do – we bring ourselves!
