

Introduce a Girl to Engineering Day 2021

An opportunity for middle school girls to discover and learn about the disciplines of engineering at Colorado State University. Meet current engineering students and learn how engineers impact the world!

Introduce a Girl to Engineering Day will take place virtually on April 3, 2021 from 9:30AM to 4PM.

This event is hosted by the Society of Women Engineers Section at CSU, and a Parent Education Panel will also be held to give more insight on how to encourage young women in STEM.
